The whole lodge, just for your team

Board meetings, leadership retreats and incentives in a 16-suite lodge, on
a 489-hectare private estate

EXCLUSIVE USE

A lodge sized for one group

With 16 suites, a single team can take over the entire lodge: no other guests, with the service, the spaces and the estate dedicated to the group.

The silence and the views over Valle la Confluencia do the rest.

16

Master and Premium suites

32 guests in double occupancy · 16 in single

489

hectares of private estate

3 km

from Futaleufú airfield

An aerial photograph of a vast, mountainous landscape in Patagonia. The terrain is covered in dense green forest, with rocky outcrops visible. A river flows through a valley on the left side of the image. In the center-right, a small, modern building with a flat roof is nestled among the trees on a hillside. In the background, majestic mountains with patches of snow rise against a cloudy sky.
